HAYWARD®

CLEANERS

Aqua Critter

Above-Ground Automatic Pool Cleaner

Swallow all your pool dirt and grime with the super efficient Aqua Critter.

The Hayward Aqua Critter provides you with simple, trouble-free cleaning of your pool. With the special patented automatic SmartDrive programmed steering system, the Aqua Critter can catch even the smallest debris. It also works with your existing filtration system, which means there is no need for an extra energy-consuming booster pump.

Aqua Critter

Efficient, automatic pool cleaner is designed specifically for your above-ground pool.

Aqua Critter Features & Benefits

- Patented automatic SmartDrive programmed steering system
- Works with your existing filtration system which means no extra booster pump is required
- Set up time takes 10 minutes or less
- Improves water circulation by pulling water from the bottom of the pool as it moves
- Cleans faster and more thoroughly than random cleaners
